

Summer Flavors in full swing

Summer is almost here and so are Itaberco's new Flavor Compounds!

Introducing our new summer flavors: Ube, Carrot Cake, Bergamot, and Key Lime.

Whether you're looking for something sweet and nutty like ube, or tangy and aromatic like key lime, this summer is full of flavor.

Ube Flavor Compound

Ube, also known as purple yam, is a vibrant and naturally sweet root vegetable that's popular in many Asian and Pacific Islander cuisines. The flavor is sweet and nutty, with a hint of vanilla, and has a distinctive purple color that makes it instantly recognizable.

Use **Itaberco's Ube Flavor Compound** to add a subtle nutty flavor and beautiful purple hue to your favorite desserts— try it in cakes, mousse, tarts, ice cream, milkshakes and more!

Key Lime Flavor Compound

Itaberco's new Key Lime Flavor Compound allows you to infuse beautiful, aromatic citrus notes into your desserts or beverages. The flavor is both sweet and tart, providing the perfect balance.

Itaberco's Key Lime Flavor Compound can be added to pie fillings, custards, donut glaze, frozen desserts, and beverages. The versatility of this flavor compound makes it a perfect go to for a unique citrus flavor profile.

Carrot Cake Flavor Compound

Itaberco's Carrot Cake Flavor Compound is a rich and satisfying dessert flavor that is based on the classic carrot cake. Imagine for a moment being able to take a slice of your favorite carrot cake and blend it into any of your dessert or beverage applications – that's what you will experience with this Flavor Compound.

This compound features a blend of warm and aromatic spices, along with the sweet and earthy flavor of freshly grated carrots.

Itaberco's Carrot Cake Flavor Compound can be used in a variety of desserts, including cupcakes, cookies, and frozen desserts. It pairs well with other ingredients like cream cheese frosting, vanilla, and caramel, making it a versatile and delicious dessert flavor.

Bergamot Flavor Compound

If you like incorporating tea into any of your desserts, you will love working with **Itaberco's new Bergamot Flavor Compound**. Bergamot tea, also known as Earl Grey tea, has a citrus-like taste and refreshing aroma.

At Itaberco, we are fans of cooking and baking with tea and we know how steeping it in desserts can be challenging and inconsistent. That's why we created this flavor compound. To give the pastry chefs the quality and consistency they deserve.

Pro tip: bake cupcakes with this flavor compound. You will not be disappointed!
