

Fall For Our Seasonal Favorites

As summer winds down, a crisp chill in the air and crunchy leaves beneath our feet brings an abundance of spicy, bold flavors along with it. From PSLs to apple cider donuts, we have you covered! Try out one of our in-house recipes below or request a sample of some of our most beloved fall flavor compounds and syrups.

Pumpkin Milkshake

With all the warm soothing flavors of real pumpkin combined with the creamy velvety ice cream, this milkshake marries the coziness of autumn with the magic of summer. **Itaberco Pumpkin Syrup** is the key fall ingredient to any milkshake, latte (PSL!), cocktail, or mocktail.

Apple Cider Donut

There's nothing truly better than biting into a warm, fresh apple cider donut coated in cinnamon sugar. It just melts in your mouth! However, as most bakers know, the process of reducing apple cider can be long and daunting. **Itaberco Apple Cider Flavor Compound** is the perfect solution to save you time making your apple cider donuts, while still delivering a rich and dynamic apple cider flavor. Add **Itaberco Apple Cider Flavor Compound** to your donuts, cakes, frozen desserts, beverages, and so much more!

Dirty Chai Gelato

A dirty chai latte combines the best of the tea and coffee worlds—the spicy aroma of chai with the depth and bitterness of espresso delivers a blissful beverage with a wide range of flavor. This fall-favorite flavor profile doesn't stop at lattes—combine **Itaberco Chai Flavor Compound** and **Itaberco Espresso Flavor Compound** and add it to frozen desserts, pastries, and beverages for an ideal blend of spice and creaminess.
